“Our greatest  
natural resource  
is the minds of  
our children”  
-Walt Disney

## Daily Schedule

Play is central to our preschool program! Early play experiences become the foundation for all academic learning. Children will learn how to solve problems, make choices, and have fun!

Our classroom will provide children with a variety of learning experiences. Some are structured, while others involve the children to think creatively on their own. Throughout the classroom, materials will invite the children to explore and create new ways of learning.

Everything that we are doing in our classroom program is designed to support our children and create a fun and inviting classroom that fosters learning and growth. Our advanced curriculum includes more emphasis on reading, writing, and an introduction to mathematics and technology.

**8:00-11:00:** Regular Preschool Program

**11:00:** Dismissal time for children who stay only half the day.

**11:00-11:30:** Outside Recess

**11:30-12:00:** Lunch

**12:00-12:30:** Rest Time (extra time allocated if needed)

**12:30-1:00:** Creative Play

**1:00-1:30:** Music and Movement

**1:30-1:45:** Snack & Story

**1:45-2:00:** Outside Play or Cooperative Games

**2:00-2:30:** Circle Time

**2:45-3:05:** Creative Art or Technology

**3:05-3:15:** Get ready to go home.

Children will either get picked up by their parents or take the bus home.

"We must teach our children to dream with their eyes open."

-Harry Edwards
